The diagram shows a rectangular rug with a central light-colored area and a surrounding dark-colored border. The central area is 80 cm wide and 98 cm high. The total width of the rug is 210 cm, and the total height is 98 cm.

Diagram of a rectangular rug with a total width of 185 cm and a total height of 98 cm. The rug is divided into four sections: a vertical strip on the left (15 cm wide), and three horizontal sections on the right. The top horizontal section is 80 cm wide, and the bottom horizontal section is 80 cm wide. The middle horizontal section is 15 cm wide.

The diagram shows a large rectangle representing a rug. A vertical line divides it into two equal halves, each 80 cm wide. A horizontal line divides it into two equal halves, each 49 cm high. The top half is shaded brown, and the bottom half is shaded light gray. Dimension lines indicate the total width is 160 cm and the total height is 98 cm.

The diagram shows a rectangular rug with a central light gray area and a surrounding brown border. The rug is 170 cm wide and 98 cm high. The central area is 120 cm wide. The border is 25 cm wide on the sides and 20 cm wide on the top and bottom.

The diagram shows a rectangular rug with a total width of 145 cm and a total height of 98 cm. The rug is divided into four sections: a vertical strip on the left (120 cm wide), a horizontal strip at the top (98 cm high), a central square, and a bottom-right square. The central square and the bottom-right square are both 120 cm by 120 cm.

The diagram shows a rectangular rug with a light gray center and a brown border. The total width of the rug is 145 cm, and the total height is 98 cm. The brown border is 120 cm wide on the left side.

A diagram of a rectangular rug. The rug is divided into two horizontal sections: a brown top section and a light gray bottom section. The total width of the rug is labeled as 120 cm. The total height of the rug is labeled as 98 cm.

The diagram shows a rectangular rug with a central light gray area, a brown border, and a light gray outer border. The total width is 160 cm, the total height is 98 cm, and the central light gray area is 110 cm wide.

The diagram shows a rectangular rug with a brown border and a light gray center. The rug is 135 cm wide and 98 cm high. The brown border is 110 cm wide and 98 cm high. The light gray center is 135 cm wide and 98 cm high.

The diagram shows a rectangular rug layout. A central rectangle is labeled with a width of 110 cm and a height of 98 cm. This central area is surrounded by a border. The total width of the rug, including the side borders, is indicated as 135 cm. The rug is divided into four colored sections: a light blue section on the left, a light green section on the right, a light red section at the top, and a light yellow section at the bottom.

A diagram of a rectangular rug. The rug is divided into two horizontal sections: a brown top section and a light gray bottom section. A vertical dimension line to the right of the rug indicates a total height of 98 cm. A horizontal dimension line below the rug indicates a width of 110 cm.

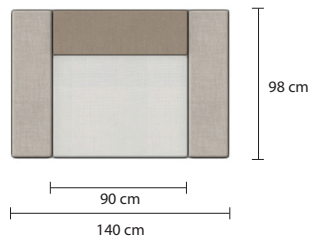

The diagram shows a rectangular rug with a central light gray square and a surrounding brown border. The rug is 150 cm wide and 98 cm high. The central square is 100 cm wide. The border is 25 cm wide on the sides and 24 cm high on the top and bottom.

The diagram shows a rectangular rug with a light gray center and a brown border. The rug is 125 cm wide and 98 cm high. The light gray center is 100 cm wide. The brown border is 25 cm wide on the left and 10 cm high on the top and right.

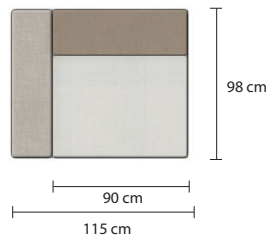

The diagram shows a rug with a central square and four rectangular borders. The central square has a side length of 100 cm. The top and bottom borders are 10 cm wide, and the left and right borders are 25 cm wide. The total width of the rug is 125 cm (100 cm + 25 cm), and the total height is 98 cm (100 cm + 10 cm + 10 cm).

A diagram of a rectangular rug. The width is labeled as 100 cm. The total height is labeled as 98 cm. The rug is divided into two horizontal sections. The top section is shaded brown and represents $\frac{1}{4}$ of the total height. The bottom section is shaded light gray and represents $\frac{3}{4}$ of the total height.
